–JOHN SAUL

In a spectacular feat of daring and magic, Elena and her army of outlaws and rebels have defeated evil’ s minions and released the mystic secrets of the Blood Diary. But the malevolent Dark Lord has unleashed the Weirgates–black wells of ferocious energy that are his greatest source of power. Now Elena’ s bravest allies are sent to find and destroy the Gates. As they face their own demons along the way, Elena herself must journey to Gul’ gotha. Daring to venture into the enemy’ s lair, she must emerge victorious if she is to reveal the secret of the Dark Lord’ s identity–and the shocking nature of his vast powers.
