Honor Donovan is a shrewd businesswoman, yet she has been shut out of Donovan International by her father and four brothers. When her favorite brother Kyle vanishes, along with a fortune in stolen amber, Honor's questions are ignored by the Donovan males. Defying them, she heads to the San Juan Islands of the Pacific Northwest in search of answers. Honor needs a guide because she knows nothing about running a boat -- and she knows nothing about Jake Mallory until he answers her ad. One of the things she doesn't know is that Jake is much more than a fishing guide. Until Kyle disappeared, Jake was brokering amber deals in the Baltic for Donovan International. Honor is completely unaware of the old wars, new politics, greed, and stolen amber that have lured ruthless, high-stakes players from around the globe. Jake wants no part of the intrigue, or of a Donovan woman in his life, but he suspects the Donovans have set him up to take the fall for Kyle's treachery. The way Jake sees it, some Donovan is going to pay for his troubles, and it just may turn out to be Honor.
