Exploring the origin of Kenji, the knife-wielding, Japanese freedom fighter, Hiroki Endo takes us back in time to witness the brutal events that shaped this warrior's spirit. In Kenji's present, he fights in one of the most intense hand-to-hand combat sequences in post-apocalyptic literature With the world reeling from the after effects of a brutal, widespread virus, civilization is torn between the laws and ways of the old world and a new order where cybernetic implants are commonplace and "might means right." Elijah and his comrades-in-arms attempt to cross the Andes Mountains, with Propater's gruesome Aeon soldiers and armored troops hot on their heels Graphic, cyberpunk and philosophical, Eden is a place where endearing heroes face a constant struggle for survival and violent surprises wait around every corner
