THE MALORYS ARE BACK Johanna Lindsey brings to glorious life her beloved aristocratic family of adventurous rogues and spirited ladies as the Malorys confront the shocking news that Jeremy, the rakehell son of gentleman pirate James Malory, has fallen in love. When Jeremy Malory hires Danny, a young woman who grew up on London's streets disguised as a boy, as his upstairs maid, he secretly intends to make her his mistress. But Danny surprises him with her dreams of becoming a refined lady and a gentleman's wife. As she transforms from urchin to elegant beauty before Jeremy's eyes, she unwittingly captivates the charming scoundrel. Now high society tongues are wagging: Who is this mysterious newcomer, and what is the truth about her past? No matter that a life-long adversary will go to any lengths to ensure Danny's downfall, Jeremy, who vowed never to succumb to matrimony, finds his resolve weakening as he pursues a woman whose strong, passionate nature rivals his own and promises the kind of challenge a Malory man can't resist.
