She's a cut above the average sleuth....Reyn Marten Sawyer is a San Antonio hair stylist with a head for solving murders Dye Young, Stay PrettyReyn is getting conditioned to normal life after untangling the murder of her beloved mentor. So she's a little frosted by a late-night call from wealthy Alexandra Barrister, desperate for Reyn's help with a hair crisis. She arrives at the imposing Barrister estate -- and wishes she was packing more than a hot brush when she finds the body of Alexandra's socialite mother, arranged with her hair standing on end, cemented into place by a killer with a macabre style sense. Reyn suspects she's being framed by Alexandra, and even handsome detective Jackson Scythe may not be able to save her scalp...unless they go undercover to undo a killer with a whole new twist on having a bad hair day.
