The Bull from the Sea reconstructs the legend of Theseus, the valiant youth who slew the Minotaur, became king, and brought prosperity to Attica. Chief among his heroic exploits is the seduction of Hippolyta, the Queen of the Amazons, who irrevocably brought about both his greatest joy and his tragic destiny.

与《The King Must Die》同样诗意盎然，仅略逊一筹。最有境界的笔墨：与俄狄浦斯的相遇、希波吕托斯的性情与死亡、忒修斯的英雄末路（结尾那个战斗之梦令人想起“夜阑卧听风吹雨，铁马冰河入梦来”）。像瑞瑙特那样使神话复活为人生的，能有几人？
