isbn:9781843911562

When a New York lawyer needs to take on another copyist, it is Bartleby who responds to his advertisement, and arrives 'pallidly neat, pitiably respectable, incurably forlorn'. At first a diligent employee, he soon begins to refuse work, saying only 'I would prefer not to'. So begins the story of Bartleby - passive to the point of absurdity yet paradoxically extremely disruptive - which rapidly turns from farce to inexplicable tragedy.
