出版时间:2006

装帧:Hardback

isbn:9780747587644

作者介绍:

After years and years of silence Gary finally revealed his side of the story regarding Take That and his involvement in the music business. Ups and downs, glory and defeat, all is explained with sincerity, humor and a remarkable down to earth sense.

First issue released in October 2006 was hardcover containing over 50 never seen before photographs of Gary and Take That. The book was promoted by a signing tour in UK during which Gary was assaulted by fans (video of signings). The paperback issue was released in June 2007 featuring Gary on the cover in one of the photos from the

Heat magazine photo shoot.
