When Photoshop guru Matt Kloskowski was asked why he wrote this book, he replied, "It's simple: I wanted to write the Photoshop book that I wished was around when I was learning Photoshop". You've always known that layers were the key to understanding Photoshop, and now you have a resource to show you exactly how.

With Matt's clear, easy-to-follow, and concise writing style you'll learn about:

Working with and managing multiple layers

Building multiple layered images

Blending layers together

Exactly which of the 25+ Blend Modes you need to worry about (there's just a few)

Layer Masking and just how easy it is.

Using layers to enhance and retouch your photos

All of the tips and tricks that make using layers a breeze.

If you want to finally understand layers in Photoshop, this book is the one you've been waiting for.
