Master Nan Huai-Chin's discourses on the treasured Buddhist Diamond Sutra bring

together a lifetime's personal cultivation experience that crosses into every single school of esoteric and spiritual practice. The great contemporary Master uses the Diamond Sutra as a tool to gauge the understanding that we must have when journeying towards understanding our true selves. The various passages from this beautiful Sutra are used to provide the student with a practical framework that combines understanding with practical cultivation. Master Nan's teachings are uniquely different compared with interpretations given by other contemporary and past teachers.
