This is the Student' s Book of Beeline Plus 1 .

Beeline Plus 1 - brand new Beeline Plus has more buzz than ever! This six-level primary course in American English builds on the success of Beeline and takes students from

complete beginner to intermediate level.

Outstanding new features include:

- * an easy-to-follow interleaved Teacher's Book which includes step-by-step instructions, suggestions for extension activities and photocopiable tests.
- * a Resource Disk containing complete Beeline Plus teaching programs and tapescript material enabling teachers to customize their own lesson plans
- * a revised audio program with new music and lyrics
- * a brand new Buzzwords dictation and spelling component at each level providing additional listening material and task-based practice
- * new Be wise cross-curricular lessons in each Student's Book
- * a separate Scrapbook with each Workbook providing opportunities for children to express their understanding of English.
