A user-friendly companion for the tennis fan, for players at any level and for the person working in tennis. It combines a guide through the history and current day international structure of tennis, along with a mine full of useful information and contacts. "The Book of Tennis" is peppered with off-the-wall tennis stories, great quotations, and memories of some of the greatest matches of all time played against

the backdrop of some of the most dramatic moments in human history.
