Book Description

## American Shine Student' s Book

Welcome to American Shine - a bright new look at English!

A multi-level course for teenage, mixed ability students.

Come and join the characters from Book 3 at the Adventure Camp Experience.

The Student' s Book provides:

- \* a stimulating story with regular characters
- \* motivating topic-based units to interest young students
- \* skills focused lessons to practice and enrich all four skills
- \* challenging projects for every unit
- \* dramatized dialogs for students to act out in class
- \* a clear and comprehensive grammar syllabus giving students a solid foundation in English
- \* sound files to practice pronunciation and intonation
- \* an adventure story in recycle and reinforce language at the end of every unit.
