Book Description

Smile New Edition is the six-level American English course that makes everyone smile.

Keep smiling

This new edition has maintained all the features that make Smile so popular:

- * topics with real child appeal
- * a carefully graded syllabus
- * outstanding real-life photography
- * stickers to make learning fun
- * pronunciation activities to help children with the sounds of English

Smile More!

The new edition has been carefully uploaded in line with teachers' comments. It now includes:

- * extra review material in all components
- * redesigned and expanded Teacher's Editions, interleaved and full-color
- * newly composed music for most songs
- * an interactive Student's CD-ROM for extra practice
- * a free My progress Diary in every Student's Book, packed with enjoyable, hands-on activities
- * large Flashcards, covering key vocabulary
- * an expanded poster pack including games and topic-based posters
- * a Teacher's CD-ROM with extra tests, printable certificates, progress charts, and more.
