Book Description

It's Tic-Toc's first day at Clown School. What a big day! But will he make it to all of his classes on time? Tic-Toc must keep his eye on the clock, to make sure that he's not late!

For parents and carers

Teaching your children to tell time can be a challenging task. But this hilarious book teaches time in a fun and entertaining way. An educational CD-ROM with an interactive clock and printable worksheets will help kids practice their time-telling skills. And the fun Tic-Toc teaching watch is sure to delight even the most reluctant time teller!

A real tic-toc watch is accompanied with this fantastic book!
