Book Description

Chompo the Chimp has an amazing chomp. He can chomp his way through anything – bubblegum, razor-sharp cacti, and even banjos! But when the poor chimp develops a terrible toothache, whatever will he do?

For parents and carers

Chompo the Chimp and his special toothbrush are here to introduce your child to dental hygiene in a fun and friendly way. Delightful pictures and simple text are accompanied by an interactive CD-ROM that helps explain the best way to keep teeth healthy. You and your child will laugh your way to better smiles!

A real cute toothbrush is accompanied with this funny book.
