Greasers, Rockers, different place, different name - but wherever they are, they're outsiders; the rough, tough, long-haired boys from the other side of town, with little hope of Mustangs, madras shirts and the good things of American life in the Sixties. Their story is told by Ponyboy, a greaser with good reason to rear the lucky boys in Mustangs, and a witness to the savage baiting that leads his best friend to manslaughter. More than a story of hatred and violence, also a story of loyalty and friendship as teenagers of the urban slums search for personal dignity and a place in the world.

we r young

小时候读过，其实文笔挺幼稚的，但是角色之间的感情很细腻动人。（以及cp也挺好磕的

结尾就是绝缝中仍能看见一丝阳光，残酷而动人。
