He's been waiting for this very moment. With every kill he can feel her getting closer. Very soon - just a few more victims to go. All he needed was the girl, Dani, and now that he has her, his plan is in motion and no one can stop it.

The police don't believe Shannon Flannery when she says someone is out there, watching her, trying to kill her. The only person on her side is Travis Settler. The former Special Forces agent is convinced Shannon's dark past has something to do with the disappearance of his daughter, Dani - a child whose connection to Shannon is just the beginning of the nightmare.

Secrets have been kept from Shannon. Dark, dangerous, fatal secrets. Now, with no one to trust but a man who has every reason to doubt her, Shannon is determined to discover the shocking truth, even if it brings her face to face with a serial killer whose slow burn for vengeance will not be denied...
