isbn:9780747586364

It is fall, 2000 and Frank Bascombe has arrived at a state of optimistic pragmatism that he calls the Permanent Period of life. Epic mistakes have already been made, dreams downsized, and Frank reflects that now at least there are fewer opportunities left in life to get things wrong. But the tranquillity he anticipated is not to be. In fact, as Thanksgiving dinner with his children and first wife nears, the Permanent Period proves as full of possibility as life had ever been. In his third Frank Bascombe novel, Richard Ford contemplates the human character with wry precision. Graceful, expansive, filled with pathos but irresistibly funny, "The Lay of the Land" is a modern American masterpiece.

评论

刚读了开头，不好做结论。本来想借那本“Independence day”，后来想想，改借了这本，希望好看。  
不过豆瓣上的中文书名貌似不太贴切，至少也该是《地势》或者更好的翻译吧。
