Book Description

Phonics for Kids 6 (Teacher' s Guide)

Phonics for Kids is a six-level series specially for primary students. It provides interesting and lively material for learning phonics systematically.

Features:

- * the series follows a systematic syllabus that gradually introduces students to the sounds of American English, with special emphasis on correcting common errors among primary students.
- * each unit presents six high-frequency words to illustrate the relationship between letters and sounds
- * a variety of lively songs, rhymes, stories and tongue twisters are used for reinforcement

* each book is accompanied by a free worksheet booklet with a variety of listening and sound discrimination exercises

Components:

* student' s books (with free worksheets) 1-6

* teacher' s guides 1-6

* CDs and Cassette tapes 1-6

* picture & word cards 1-6
