Book Description

KIDS + PARENTS + READING GAMES = START READERS

Help your kids with Reading!

Use games and simple equipment to Boost Reading Skills!

The Helping Kids at Home series aims to help parents and carers assist their kids with many of the concepts being taught at school. This book, Reading Games , uses simple equipment, such as word cards and dice, to enhance reading skills and develop a love of reading.

Games focusing on how to listen to your child read and encourage independent reading are a feature of this book.
