isbn:9780486408927

Over 400 quotations, some more familiar than others, but all thoughtfully and precisely expressed. Includes such timeless observations as "A true friend is one soul in two bodies" (Aristotle) and "Friendship is like money, easier made than kept" (Samuel Butler). Also, thought-provoking reflections by Socrates, Confucius, Robert Browning, Mark Twain, Dorothy Parker, Ambrose Bierce, and many others.
