CHANGE THE WAY YOU DEAL WITH OTHER PEOPLE - AND TRANSFORM YOUR

LIFE! You might think you are a people person. But are you really having the

right effect on those around you? Are you actually undermining success for

yourself - and others? Be prepared to have your world turned upside down and open your eyes to a

whole new way of living and working.

Through a series of entertaining stories, this astonishing book will reveal

how most of us are not fulfilling our potential - in our personal lives and

at work - because of 'self-deception'. It will show you how to escape your

box of self-deception, and change for the better in a lasting way. Don't focus on what others are doing wrong - Do focus on what you can do to

help. Don't worry whether others are helping you - Do worry whether you are

helping others. Don't try to be perfect - Do try to be better. By following this book's advice, you can deepen your personal happiness,

strengthen your relationships, improve your leadership skills, build

teamwork - and increase your success in everything you choose to pursue. YOU'LL NEVER SEE YOURSELF - OR OTHERS - IN THE SAME WAY AGAIN
