If you have a classic Pentax, this invaluable guide has the information you've been searching for! Here's the lore, terminology, techniques, tips, and shortcuts for taking fantastic pictures with these vintage cameras--among the best ever produced. Even the original manuals didn't delve into the details so deeply. Get all the facts on speeds, apertures, focusing, depth of field, loading, flashbulbs, and camera maintenance. Then go through the individual series--including the Spotmatics, the Pentax K series, the M series, and the LX--learning everything from the batteries they need to lenses and flashes and a full assortment of accessories. No Pentax owner can do without this! 160 pages, 65 b/w illus., 5 x 7 1/2.
