A stunning new edition, celebrating the 50th anniversary of Miles Davis's timeless Kind

of Blue, with a new afterword by the author.

This acclaimed tribute to the most popular jazz album of all time is now available in a beautiful 50th anniversary edition, complete with a new afterword by Ashley Kahn. Featuring transcriptions of the unedited session tapes; in-depth interviews with musicians; freshly discovered Columbia Records files; never-before-seen photographs, and more, Kind of Blue is a vital piece of music history--and will be essential for fans and scholars for years to come.
