Are you a post-graduate student in Engineering, Science or Technology who needs to know how to:

Prepare abstracts, theses and journal papers

Present your work orally

Present a progress report to your funding body

Would you like some guidance aimed specifically at your subject area? ... This is the book for you; a practical guide to all aspects of post-graduate documentation for Engineering, Science and Technology students, which will prove indispensable to readers.

Writing for Science and Engineering will prove invaluable in all areas of research and writing due its clear, concise style. The practical advice contained within the pages alongside numerous examples to aid learning will make the preparation of documentation much easier for all students.

在一个到处是模板的年代,谁还需要看这个阿

要不是为了课程考试，谁看这个啊。
