Fundamentals of Corporate Finance, by Richard A. Brealey, Stewart C. Myers and Alan J. Marcus, has been applauded for its modern approach and interesting examples. Professors praise the authors' well-organized and thoughtful writing style and their clear exposition of what many students consider difficult material. The authors accomplish this without sacrificing an up-to-date, technically correct treatment of core topic areas. Since this author team is known for their outstanding research, teaching efforts, and market-leading finance textbooks, it's no surprise that they have created an innovative, and market-driven revision that is more student friendly than ever. Every chapter has been reviewed and revised to reflect the current environment in corporate finance.

Fundamental.

2010 Trimester-2 MPF 753 Finance

e..pretty important..pretty boring

不错的书，就是同一组作者类似教材不少，有骗稿费、版权费之嫌。
