Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace...only to be launched on an even more terrifying course of destruction.

A Feast for Crows

It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears....With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out.

But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead.

It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes...and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

作者介绍:

George R.R. Martin sold his first story in 1971 and has been writing professionally ever since. He has written fantasy, horror, and science fiction, and for his sins spent ten years in Hollywood as a writer/producer, working on *Twilight Zone*, *Beauty and the Beast*, and various feature films and television pilots that were never made. In the mid 90s he returned to prose, his first love, and began work on his epic fantasy series *A Song of Ice and Fire*. He has been in the Seven Kingdoms ever since. Whenever he's allowed to leave, he returns to Santa Fe, New Mexico, where he lives with the lovely Parris, a big white dog called Mischa, and two cats named Augustus and Caligula who think they run the place.

on kindle. 苦比无止境阿。

虽然觉得Dorne和Iron islands有点写的太多了，可是当最后他们都引向Daenerys的时候，惊叹之余有种酣畅淋漓的通快感。结局之时，Arya瞎了，Sansa成了Littlefinger的棋子，Brienne面临的绞刑，Jamie抛开了对Cersei的爱，Cersei被困在了圣堂，Sam来到了Citadel，Westeros的势力开始跟Daenerys汇合，悬而未解决的精彩
