Granta presents a spiral-bound engagement calendar featuring classic books made into classic films of world cinema. Fifty memorable book jackets depicting our cinematic treasures are reproduced in full color-including Kipling's Jungle Book, Nabokov's Lolita, Erich Maria Remarque's All Quiet on the Western Front, William Styron's Sophie's Choice, Raymond Chandler's The Big Sleep, and Roald Dahl's Charlie and the Chocolate Factory, together with more recent additions to the canon, like Michael Ondaatje's The English Patient and Elmore Leonard's Jackie Brown. Week-to-view displays, international holidays, literary anniversaries, famous first and last lines, and fascinating literary information throughout offer a vivid way to keep track of the days.
