Improve any kind of test score with easy-to-grasp insider tips and strategies. Learn the

Techniques that All Successful Test Takers Know. Any kind of test-from high stakes academic tests to career qualification exams-can be faced successfully with this book. Students will learn simple but valuable tips, such as the most effective ways to memorize, the five classic methods to overcome test anxiety, the right and wrong way to cram, and the 10 most common test-day problems and solutions. This guide will even reveal how test-makers try to distract the test-taker, how to become an educated guesser, and how to predict essay-question subjects in advance.
