This is the rebranded version of the first edition of the bestselling "Collins English-Japanese Gem Dictionary", which covers all the words and phrases learners will need to know. This dictionary provides the best coverage of today's language and usage for learners of Japanese in a handy package. With its extensive coverage, the "Collins English-Japanese Gem" is the indispensable small dictionary for learners of Japanese. The dictionary offers extra help with translating essential vocabulary, and thousands of phrases. Full Japanese pronunciation is given in romanized form.
