"Three cheers! Max is one of the smartest, strongest, funniest heroines around." - Diane Garrett, Diane's Books

In this breathtaking new story from the astonishing imagination of James Patterson, a girl has to save herself from an army assembled just to capture her-and maybe save the planet while she's at it.

Maximum Ride is a perfectly normal teenager who just happens to be able to fly , the result of an out-of-control government experiment. Max and the other members of the Flock-six kids who share her remarkable ability-have been asked to aid a group of environmental scientists studying the causes of global warming. The expedition seems like a perfect combination of adventure, activism-and escaping government forces who watch the Flock like a hawk.

But even in Antarctica , trapped in the harshest weather on our planet, Maximum Ride is an irresistible target in constant danger. For whoever controls her powers could also control the world . . . Maximum Ride is James Patterson's greatest character, a heroine who manages to be human and fearless at once. THE FINAL WARNING is an unrelenting new adventure from the writer Time magazine has called "The Man Who Can't Miss."

A JAMES PATTERSON FAMILY PAGETURNER

In the spirit of the most enduring hit movies and books, James Patterson has written this story for readers from ten to a hundred and ten. Special care has been taken with the language and content of THE FINAL WARNING.
