Actively exploring his storytelling methods within his own mind, Moebius draws himself encountering his favorite characters in an expansive desert setting. He interacts with Arzak, Blueberry, Stel, Atan, and others--and he also meets a younger version of

himself!

A self-reflective six-part study, Inside Moebius Part 2 collects the two middle chapters in this hilariously unique exploration of a creator meeting his own creations and over-analyzing his thought processes as he creates new comics. Dark Horse will release all parts to this intensely personal series in 2018!
