出版者:Baker Academic

出版时间:2008-06-01

装帧:Hardcover

isbn:9780801026805

In this substantial volume, Thomas Schreiner takes up the study of New Testament theology, looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately. Two themes in particular emerge. The first concerns redemptive history and the kingdom of God. The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ, although final fulfillment is yet to come. Second, the ultimate goal of the kingdom is God's glory. Schreiner goes on to relate these themes to the life of the believer and the community of faith. Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament.
