No journalist has ever been allowed into the ultrasecretive, highly pressured process of originating a perfume. But Chandler Burr, the New York Times perfume critic, spent a year behind the scenes observing the creation of two major fragrances. Now, writing with wit and elegance, he juxtaposes the stories of the perfumes--one created by a Frenchman in Paris for an exclusive luxury-goods house, the other made in New York by actress Sarah Jessica Parker and Coty, Inc., a giant international corporation.--From publisher description.

老子太爱Chandler Burr了！！！！

有趣, 但还是作者在New Yorker发表的那篇爱马士尼罗河花园要写得好些.

work-related

An account of the creation of UN JARDIN SUR LE NIL and SJP LOVELY. Other than the sudden 抽风,ness of one chapter, it's Informative and fascinating. Burr can be quite opinionated and even bitter sometimes, but that also makes his arguments interesting.
