From the best selling authors of Chicken Tractor, you will discover how easy and profitable it is to sell chickens, eggs, and turkey raised in gardens or on pastures. You don't need a lot of land or a large investment.

- Make top dollars rasing poultry.
- Raise Thanksgiving turkeys for yourself and others.
- Build and regenerate soils using natural fertilizer deposited directly from your poultry onto your soil.
- Learn the secrets to incubation, hatchery management and brooding.
- Process poultry cheaply, humanely and profitably.
- Sell eggs and meat with that old-fashioned flavor and homegrown goodness.

Learn about the revolutionary day range system of raising poultry on pasture that is low maintenance with high profits..
