著者:Glenn Alexander Magee

出版者:Cambridge University Press

出版时间:2018-4-16

装帧:Hardcover

isbn:9780521509831

This handbook brings together articles on two distinct but related subjects: Western mysticism and Western esotericism. Readers will be able to trace, in one volume, connections between mystical and esoteric currents of thought. The essays are accessible to novices, but will be of interest to seasoned scholars as well
