When Franklin Roosevelt defeated Herbert Hoover in the 1932 election, they represented not only different political parties but vastly different approaches to the question of the day: How could the nation recover from the Great Depression?

As historian Eric Rauchway shows in *Winter War*, FDR laid out coherent, far-ranging plans for the New Deal in the months prior to his inauguration. Meanwhile, still-President Hoover, worried about FDR's abilities and afraid of the president-elect's policies, became the first comprehensive critic of the New Deal. Thus, even before FDR took office, both the principles of the welfare state, and reaction against it, had already taken form.

Winter War reveals how, in the months before the hundred days, FDR and Hoover battled over ideas and shaped the divisive politics of the twentieth century.

作者介绍:

Eric Rauchway is a distinguished historian and expert on the Progressive and New Deal eras at the University of California, Davis. He is the author of several acclaimed books on the subject, including *The Money Makers*, *The Great Depression and the New Deal*, and *Blessed Among Nations*, and has contributed to the *New York Times*, the *Washington Post*, the *Financial Times*, the *New Republic*, the *Los Angeles Times*, *Dissent*, *The American Prospect*. He lives in Davis, California.

评论

网友推荐给我的，这本书真的特别好。美国史学界一直相信，FDR选举的时候New Deal只是一纸空文，他什么想法都没有，这本书给了一些新的看法。还有Hoover和他的斗争这部分也很精彩。
