著者:Alfred Corn

出版者:NY, The Viking Press.

出版时间:1978, First Edition

装帧:Hard Cover.

isbn:9780670199792

The first part of this book of poems contains works which "undertake agile, even reckless, investigations of the ambiguities and powers of consciousness", with the second part being the title poem - an extended seasonal sequence in four parts - the poetic journal of a year lived out against the monumental background of New York City.

作者介绍:

American poet known for meditative lyrics that show a mastery of traditional forms.
