

# Philosophic Classics, Volume1: Ancient Philosophy

[Philosophic Classics, Volume1: Ancient Philosophy\\_ 下载链接1](#)

著者:Forrest E. Baird & Walter Kaufmann

出版者:Prentice Hall

出版时间:1994

装帧:Paperback

isbn:9780130213143

作者介绍:

Forrest Baird's revisions of Philosophic Classics, Prentice Hall's long-standing philosophy series, continue the tradition begun in 1961, to provide generations of students with anthologies of high quality in the history of Western philosophy. Using the complete works or, where appropriate, complete sections of works, this series allows philosophers to speak directly to students.

This series includes texts central to the thinker's own philosophy, using the best available translations. Introductions to each reading are divided into three sections:

Biographical – Provides a glimpse into the life of the philosopher;

Philosophical – Presents a résumé of the philosopher's thought; and

Bibliographical – Offers suggestions for further reading.
