装帧:纸板书

isbn:9781452158235

Animal daddies love keeping their babies beside them, even when they're asleep! See how different animal dads sleep and dream, including a lion, turtle, bat, horse and more, in this sweet celebration of a father's love. No matter how Zs are caught, the daddy's little one is never far away.

作者介绍:

Anne Gutman and Georg Hallensleben are an author and illustrator team living in

France.
