出版者: Cambridge University Press

出版时间: 2019-6-30

装帧: Hardcover

isbn: 9781108474191

This book provides a comprehensive history of the emergence and the formation of the concept of sovereignty in China from the year 1840 to the present. It contributes to broadening the history of modern China by looking at the way the notion of sovereignty was gradually articulated by key Chinese intellectuals, diplomats and political figures in the unfolding of the history of international law in China, rehabilitates Chinese agency and shows how China challenged Western Eurocentric assumptions about the progress of international law. It puts the history of international law in a global perspective, interrogating the widely-held belief of international law as universal order and exploring the ways in which its history is closely anchored to a

European experience that fails to take into account how the encounter with other non-European realities has influenced its formation.

Provides a comprehensive history of the concept of sovereignty in China, exploring where China's claim to sovereignty originated and might be heading in the future

Shows how the Chinese conceptions diverted from Western Eurocentric legal norms and contributed to the globalisation of international law

Demonstrates how Chinese diplomats used sovereignty and new legal categories to defend against Western imperialism and successfully expand China's interests

作者介绍:

Maria Adele Carrai is currently a Marie Curie Postdoctoral Fellow at the KU Leuven and a Fellow at Harvard University Asia Center. She completed a PhD in Law at the University of Hong Kong in 2016, where she received the Award for Outstanding Postgraduate Research Student for 2015-16, the HKPHD Fellowship and the Swire Scholarship. Since she completed her PhD, she has been Princeton-Harvard China and the World Fellow (2017-18), NYU Global Hauser Fellow (2016-17), Max Weber Postdoctoral Fellow at the European University Institute (2015-17). Her research has appeared in various peer-review journals and she has spoken in a variety of fora.

目录: Introduction

1. International Law and the Sinocentric Ritual System: A Nineteenth-century Clash of Normative Orders

2. Secularizing a Sacred Empire: Early Translations and Uses of International Law

3. China's Struggle for Survival and the New Darwinist Conception of International Society (1895–1911)

4. China Rejoining the World and its Fictional Sovereignty, 1912–1949

5. From Proletarian Revolution to Peaceful Coexistence: Sovereignty in the PRC, 1949–1989

评论

【三星半，中文部分编校多误】比较典型的拼图式研究，晚清的国际法输入有人做，民国的外交有人做，PRC的主权理论有人做——咦，没有人从头到尾讨论过sovereignty这个概念？于是便有了这本书。

... "China in the future will reassert its supremacy in the world."
