"It looks a little like Peter Max drawings or early Crumb stuff, before he got into cross-hatching. If you're interested in trippy, hippie sh*t and like weird manga, this is

the book you were seeking. It's also beautifully designed, and the work is presented in a friendly and pretty way." --VICE

Présentation de l'éditeur

Ding Dong Circus collects the best of Sasaki Maki's work from alt-manga super magazine Garo. Drawn between 1967 and 1974, the fifteen stories within follow Sasaki's unprecedented exploration of collage methods in comics storytelling. Weaving through references to the Beatles, the Vietnam War, and Andy Warhol, Ding Dong Circus demonstrates that Sasaki was not only a manga pioneer, but also an essential figure in Japanese Pop Art and the critical avant-garde art scene of the 1960s.
