Becky Brandon is back – with a bump!

Becky's life is blooming. She's working at London's newest fashion store, The Look, house-hunting with husband Luke (her secret wish is a Shoe Room)··· and she's pregnant! She couldn't be more overjoyed – especially since discovering that shopping cures morning sickness. Everything has got to be perfect for her baby: from the designer nursery··· to the latest, coolest pram···to the celebrity, must-have

obstetrician.

But when the celebrity obstetrician turns out to be her husband Luke’s glamorous, intellectual ex-girlfriend, Becky’s perfect world starts to crumble.

She's shopping for two...but are there three in her marriage?
