Who let the dog out? Out of its book, that is. Announcing the CD only "Dog Train" - the funky, fabulous collection of all out rock music by the team that created the No 1 "New York Times" bestselling "Philadelphia Chickens". Taken directly from "Dog Train", the book and CD with 150,000 copies in print, it's the same great music, now in the brilliant format music lovers love - the handy little jewel case that makes it perfect to sell wherever kids CD's are available. It includes 16 original Boynton & Ford songs sung by Kate Winslet, Blues Traveler, Alison Krauss, Hootie & The Blowfish, Steve Lawrence & Eydie Gorme, and other stars.
