著者:Paolo Roversi

出版者:Steidl/Stromboli

出版时间:1999-08-02

装帧:Hardcover

isbn:9782950891518

The long-awaited monograph by Paolo Roversi is finally available and well worth the wait! In it are dozens of refreshingly simple, yet erotically charged nudes of international supermodels and other beautiful women. The book's design and production reflect the subtlety of Roversi's printing, with each image printed on its own

folded page to prevent bleed-through from front to back.

去掉那些修饰，人的本来是怎样的？

-----  
都是裸的.....超模....嘿嘿.....都好年輕
