出版时间:2004-10-01

装帧:Paperback

isbn:9781861058119

The late Sir Harry Secombe was known and loved throughout the world as a comedian, singer, and Goon, and his death in 2001 prompted many tributes to his great talent and kindness. He also proved himself to be a writer of considerable wit and calibre, with two bestselling novels and the highly praised first and second volumes of his autobiography, entitled *Arias and Raspberries* (1921-1950) and *Strawberries and Cheam* (1951-1996) respectively. *Harry Secombe: The Collected Memoirs* brings together both volumes of Harry Secombe's autobiography - covering his childhood, the war, *Variety*, the Goons and on - and includes an additional section covering the last few years of his life. This section contains writing from Sir Harry himself and contributions from his family. This commemorative volume, funny and moving by turn, encapsulates the perceptions of one of Britain's foremost entertainers and illustrates why he became so well-loved. In autumn 2004 "The Life and Death of Peter Sellers" starring Geoffrey Rush will be released. It's an all star cast including Charlize Theron, Stephen Fry, Stanley Tucci, Emily Watson, and John Lithgow. Features Steve Pemberton from *The League of Gentlemen* as Harry Secombe.
