虽然是很老的书，却很值得一读，许多见解非常深刻，远胜过那些拼凑之作。可深可浅，无论入门与否都适合。

书评

i bought this book on Feb.12, 1986 from Nanjing Foreign Languages Bookstore,the price of which was RMB2.00 then. Now i used it as a complement for the course "English Linguistics: An Introduction" i am teaching now!
