isbn:9780415132145

Philosophy of Religion provides an account of the central issues and viewpoints in the philosophy of religion but also shows how such issues can be rationally assessed and in what ways competing views can be rationally assessed. It includes major philosophical figures in religious traditions as well as discussions by important contemporary philosophers. Keith E. Yandell deals lucidly and constructively with representative views from Judaism, Christianity, Islam, Hinduism, Buddhism and Jainism.

作者介绍:

Keith E. Yandell is Professor of Philosophy and South Asian Studies at the University of Wisconsin, Madison. He is the author of *The Epistemology of Religious Experience* (1993), *Introduction to the Philosophy of Religion* (1987) and *God, Man and Religion* (1973)
