

Ethics

[Ethics_ 下载链接1](#)

著者:Harry J. Gensler

出版者:Routledge

出版时间:1998-9-20

装帧:Paperback

isbn:9780415156257

Ethics introduces the issues and controversies of contemporary moral philosophy, and relates them to specific issues, such as racism, education and abortion. The book allows for a fair treatment of different views, and suggests the practical method for forming moral beliefs.

作者介绍:

Harry J. Gensler is Professor of Philosophy at John Carroll University. He is the author of several books, including Formal Ethics (Routledge 1996) and Symbolic Logic (1990).

评论

用虚构的第一人称叙述相当reader-friendly。p.s.讨论相对主义时，隐隐约约可以感觉到作者对文化人类学的不屑hhh
